GDPR – Data Protection Information and Acknowledgement

DATA PROTECTION POLICY

For the purposes of the provisions of the European Regulation on Data Protection (GDPR), HIPOTEKEN INTERNATIONAL MORTGAGES is a commercial brand registered by Hipoteken S.L. We inform you how we are treating the data you send us for the mortgage process:

The applicant/s will always have the option to accept or refuse the legal conditions under which he/she will provide such data. Such acceptance is thus considered to be informed consent, and constitutes an express authorization to process your data as per the following characteristics:

BASIC INFORMATION ON DATA PROTECTION

The protection of your data is of crucial importance for our group. That is why we want to explain to you how we process your information when you provide it to us.

Data holder

The data provided to us through this page will be incorporated to a file belonging to Hipoteken.

Address of the data holder

Calle Serrano Morales 11, 4. 46004 Valencia, SPAIN

Purpose

The different purposes of the processing of your data are as follows:

Hipoteken processes the data of its clients with the aim offering third-party services related to the acquisition and finance of properties in Spain

Legitimation

Consent of the data subject or contracts enforcement.

Recipients of data transfers

The information provided to us by data subjects will not be subject to transfer, except for those circumstances specified in the Law or when data transfer is made in the performance of a contract.

Communication of data to banks and lenders - In order to proceed with the objective of our services and this mortgage application, Hipoteken can share the data and documents you provide us with the banks and lenders Hipoteken collaborates with. The data shared with them will include – identification, contact, personal and family circumstances, as well as financial information – work, assets and liabilities, and the full financial information you provide us can be shared with them. The aforementioned banks and lenders will process This data with the end purpose of studying the possibility to provide finance, including study regarding your repayment capacity using scoring and expert analysis, being allowed to cross check as per current regulation, credit score records such as Bank of Spain's CIRBE registrar, as well as other such as BADEXCUG, ASNEF, etc. All this always with the end purpose of being able to evaluate your repayment capacity in order to provide finance offers. You can check the lenders and Banks we work with on our home page <https://www.hipoteken.com/>

Rights

Access, rectification, blocking, erasure and objection to data processing.

Additional information

More detailed information on Data Protection may be requested at the e-mail address listed in our contact information. Additional information is also available on this link - <https://hipoteken.com/data-protection>

HIPOTEKEN INTERNATIONAL MORTGAGES considers that the data provided by registered users is of utmost importance. For this reason, it undertakes to comply with its obligation of secrecy in the processing of the personal data provided and its duty to keep them confidential. To this effect we have a Register of Processing Activities, which describes the measures intended for protecting the confidentiality of the personal data in its possession, Under the European Regulation on Data Protection.

We have been informed and received a copy of Hipoteken's GDPR - data treatment and protection policies.
